Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Nine brides meet their monsters in this sensual erotica collection from Natalie Deschain, with a guest story by Audrey Grace. Past and future, in worlds of fantasy and places closer to home, dark things gather in the shadows and monsters lurk, but demons and aliens and monstrous gods need love, too. Bride of the Alien Beast Jessica Barnes has always been a troublemaker. Faced with a dishonorable discharge, she takes an offer to join a secret research program to create superhuman soldiers by combining human genetic material with that of an alien- the old fashioned way. Bride of the Swamp Beast At the tail end of her lackluster stint in the Army, Olivia White finds herself signed on to a hidden research facility in the deep swamps, where mad science and human ambition have combined to create something terrible, but the hulking monster lurking in the darkness may be her only hope. Bride of the Sea Monster Christie has been waiting for her wedding night as long as she can remember, but her new husband has refused to touch her until they return home. In the coastal hamlet where they take their honeymoon, a terrible secret waits. Can she love a monster? Bride of the Storm God Heather s village will die unless the drought ends, but the only way to end the drought is to find and placate the Storm God. Only the purest, most beautiful sacrifice will do, and Heather is chosen. Bride of the Demon Beast One night while driving through a lonely stretch of uninhabited back country, Jessica suffers all sorts of troubles. A torrential downpour, a dead cell phone, and a broken down...
