### ***Reviews***

*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Forgotten by history, the jewel passed quietly through the ages, eventually coming into the hands of a wealthy Manhattan nightclub owner, known only as The Mistress. But as her reluctant new employees soon discover, there is more to The Mistress plans than meets the eye.
