Medical Engagement: Beyond the Medcap

By Jr Us Army Bryan, School Of Advanced Military Studies

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The term Medical Civic Action Program (MEDCAP) is often utilized as the sum total of the understanding of medical engagements conducted by the medical formations of the US military in the current environment. When utilized, the term MEDCAP quite often brings to mind a team of US military healthcare providers arriving in a remote village, establishing a clinic, and providing acute medical treatment for any and all local villagers within the surrounding area. Although realistic, the limitations inherent in this less than complete understanding of military medical engagements belie the true nature of military medical engagements and the benefits that may be realized by medical operations in support of tactical, operational, and even strategic objectives separate from provision of Health Services Support to eligible beneficiaries. This paper answers the question: Is the way the US military provides Health Services Support via medical engagements with foreign populations the proper and most efficient way US military medical resources can be employed in the current environment? To further frame the understanding, the following question is also answered: How...
