Blackstone Audiobooks, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 171 x 159 mm. Language: English . Brand New. The New York Times and USA Today bestselling author of Rome brings readers a combustible, brand-new series that is sexier, darker, and better than ever. There's a difference between a bad boy and a boy that is bad. Welcome to the Point. Shane Baxter isn't just from the wrong side of the tracks; he is the wrong side of the tracks. Bax is a criminal, a thug, a brawler, and a man who has made the streets and the city his playground. He's the master of making bad choices. At least he was until his last bad choice landed him in the joint for a five-year stretch. Now Bax is out and looking for answers, and he doesn't care what he has to do or who he has to hurt to get them. Even if there's a new player in the game who is way too innocent and way too soft for the way Bax does things. She's standing directly in the way of the answers he wants, and he has no qualms using whatever it takes to get them. Dovie Pryce knows all about living a hard life and the choices that come with it. She's always tried to be good, tried to help others and not let the darkness of the wrong side of the tracks pull her down. Only the streets are fighting back, and things have gone from bad to worse, and the only person that can help her is the scariest, sexiest, most complicated ex-con the Point has ever produced. Bax terrifies her, and it doesn't take Dovie long to realize some boys are just better when they're bad.
