Excerpt: .of the United States of America has transgressed the laws of an enlightened humanity; or whether the prejudice of color could substantiate just cause for their expulsion without other offense? If they find upon investigation that their people have justly reciprocated all the lawful requirements of international subjects, with peaceful intention fully sustained in act, and that they have only become obnoxious in peaceful competition with the other races who are combined against them, they can only appeal to the justice of their rights, and await the recuperative ability and energy that ever attends upon temperance and its peaceful surroundings, and one voucher of assurance they possess which will attest from the comparatively well preserved condition of their teeth, that since the partial revival of the observance of hygienic laws of temperance they have gained rapidly in all the physical and mental advantages of health....
