

Removing the Roadblocks: Group Psychotherapy with Substance Abusers and Family Members

By Marsha Vannicelli Phd

The Guilford Press. Hardcover. Book Condition: New. Hardcover. 325 pages. Dimensions: 9.2in. x 6.3in. x 1.1in. Based on the authors 18 years of experience supervising group therapists, this quintessentially practical book is designed to help practitioners think through and formulate appropriate strategies in their clinical work. Utilizing many clinical examples, and providing explanations throughout for her interventions, Vannicelli pays special attention to the therapeutic stance -- where the clinician positions him or herself in relation to the patient, and why; and how various strategies and techniques maximize the patients opportunity for therapeutic growth. A hallmark of Dr. Vannicellis approach, richly illustrated in this work, is her sensitivity to countertransference and the ways it can be used productively in clinical practice. Alone among books in the substance abuse field, REMOVING THE ROADBLOCKS analyzes the group therapy issues that arise in the three populations most commonly seen in substance abuse clinics -- substance abusers themselves, adult children of alcoholics, and other family members. The author describes characteristics unique to each population and addresses overlap among them in terms of basic procedures, formats, and hurdles that group leaders face. The book also differs from most psychotherapy texts by giving the reader an opportunity to...
