CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2006. Paperback. Book Condition: New. 7th Revised edition. 224 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Since its first publication, Accidents, Compensation and the Law has been recognised as the leading treatment of the law of personal injuries compensation and the social, political and economic issues surrounding it. The seventh edition of this classic work explores recent momentous changes in personal injury law and practice and puts them into broad perspective. Most significantly, it examines developments affecting the financing and conduct of personal injury claiming: the abolition of legal aid for most personal injury claims; the increasing use of conditional fee agreements and after-the-event insurance; the meteoric rise and impending regulation of the claims management industry. Complaints that Britain is a compensation culture suffering an insurance crisis are investigated. New statistics on tort claims are discussed, providing fresh insights into the evolution of the tort system which, despite recent reforms, remains deeply flawed and ripe for radical reform.
