The History Press Ltd. Paperback. Book Condition: new. BRAND NEW, Memories of Lancaster, Sharon Lambert, This fascinating volume explores the history of Lancaster through the voices and reminiscences of Lancastrians. Oral history has a unique power to recall the sights, sounds, smells and atmosphere of a particular time, and this book collects together the vivid memories of many local residents. A wealth of archive images from the personal collections of interviewees bring additional colour to their stories, which describe many aspects of Lancaster life, from day-to-day experiences to extraordinary events and special occasions. Whenever there was something to celebrate they had all the parties and dances on Hope Street because it was great, it was right flat and smooth and perfect for dancing. Oh it was fantastic. I mean we always went to Hope Street when the dances were on, at New Year and everything. The sense of community in Lancaster has always been very strong, and this social history will appeal to anyone who has lived or worked in the city - it is both an important historical document and an absorbing read, the past brought to life by the people who were there.
