Reviews

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

TOUTE ALLURE: FALLING IN LOVE IN RURAL FRANCE

Summersdale Publishers. Paperback. Book Condition: new. BRAND NEW, Toute Allure: Falling in Love in Rural France, Karen Wheeler, There is so much to look forward to in the months ahead - to lengthening evenings, bike rides past fields of sunflowers or wild meadows of bluebells and poppies (just like the seventies Flake ad) and several months of fetes, vide greniers (car boot sales) and barbecues in friends' gardens. And I cannot wait to get back to see if Andy Lawton has called. After reaching the heights as a successful fashion editor, Karen said goodbye to all that and set about renovating a run-down house in rural Poitou-Charentes, in central western France, and living a simpler life. Her idyll is almost complete when she is blissfully ensconced in her fully plumbed, tiled, floored and 'warm as the hug of a pashmina' Maison Coquelicot - until, that is, a gang of macho Portuguese builders, a procession of Brits behaving badly and the ghosts of boyfriends past begin to arrive on her doorstep. Karen soon finds her (dancing) feet in the small rural community when she discovers the key to acceptance is le danse country. And after a few shuffles and twirls she meets the love of her life - he has dark, shaggy hair, four paws and a wet nose.
