The once powerful military is disbanded along with the dismantling of most police forces the country finds itself without work and crime out of control. Mike, a once proud Army Ranger returns to his home town, moving back in with his parents who have both lost their jobs, hoping to help. Instead, he finds himself being called upon by his community to restore peace in his small town. Mike trains his neighbors as he himself was trained by the Army. Together they restore a sense of safety to the town. As things worsen without a functioning government, China invades and easily occupies this once great nation. Mike realizing his hometown militia will not be able to protect his community much longer moves them to a remote area of Montana. he is familiar with. The peaceful existence in Montana ends for Mike when he hears the Chinese have imprisoned his people in concentration camps. Mikes oath to protect his country as an Army Ranger is more important today than ever before. It is now up to Mike, and Mikes militia to take back this once proud nation and restore the values this country was founded on. This item ships from La Vergne, TN. Paperback.
