Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Great Epochs in American History, Vol. 4 of 10: Described by Famous Writers From Columbus to Roosevelt With independence achieved and a treaty of peace duly signed, the new-born United States found themselves neither united as a confederacy, nor individually well-ordered States secure against disintegration. The four years from 1783 until 1787 have been called by John Fiske, the critical period, a phrase since generally accepted as accurately defining the period. As to dangers threatening the perpetuity of the Union, that period resembled closely the four years of civil war, three-quarters of a century afterward. Disunion was threatened not only in the South, but in Pennsylvania and New England, and on the frontier. The chief cause lay in the absence of a central government possest of supreme authority to govern the whole. Under the Articles of Confederation Congress had no power to act on important measures affecting all the States, except by consent of nine of them. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
