C. : Office of the Under Secretary of Defense for Acquisition and Technology, 1999 OCLC Number: (OCoLC)52526153 Subject: Military research -- United States. Excerpt: . . . HAPTER VERVIEW OF C 2: O DARPA DARPA was established as an agency within the Department of Defense, in response to the Soviet Unions launch of Sputnik, for the purpose of initiating unique research and development programs in often high-risk areas, that would, if successful, offer significant impact on the Departments military capabilities. The goal of these efforts is to help maintain U. S. military technological superiority and to guard against unforeseen advances by potential adversaries. DARPA responds to tasks and guidance from the Office of the Secretary of Defense to establish an independent research agenda that is relevant to national security needs. DARPA is an idea agency, able to reach beyond todays technological frontier to develop what is needed by Americas military in the future. Based on its mission, DARPA focuses on revolutionary initiatives with high technical risks-a mission that differs from the typically evolutionary efforts appropriate to the research and development programs of...
