Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Large Print, Multilingual. 279 x 216 mm. Language: Latvian,English,Irish . Brand New Book ***** Print on Demand *****.As this specimen of the language spoken in Ireland about 1200 years ago, is here published, not only for the elucidation of our apostle s history, but also for the gratification of the lovers of Irish literature in general; the Irish original is accompanied, on the opposite page, with an English translation of the whole. In this translation, the literal meaning, and idiomatic expression of the words and phrases, are adhered to in all such stanzas as the editor (with the aid of some members of the Gaelic Society, particularly conversant with subjects of this sort) could fully understand: for he acknowledges that neither he nor these gentlemen are so vain or disingenuous as to pretend that they comprehend the whole of this very ancient composition.
